4TH ANNUAL SUNLIT FESTIVAL  
SCHEDULE OF EVENTS APRIL 7 - 22

Literary and other arts & cultural circles intersect during the fourth annual SunLit Festival, a springtime celebration of the written word. SunLit Festival 2018 brings together various literary organizations and arts disciplines to celebrate literacy, literature, reading, and writing for days of intoxicating “Litertainment” and just plain fun.
Produced by Keep St. Pete Lit, the Festival schedule includes 18 events over 15 days. SunLit will raise the profile of our city, bringing together various literary organizations and arts disciplines to celebrate literacy, literature, reading, and writing.

Literature represents a moment in time. It is an exploration of our history, an expression of our experiences and of the life that surrounds us. It is a discussion of who we are, how we got that way and what choices we can make to shape our future.

Please refer to the full schedule at sunlitfestival.org for a description of each event, including time and location and when applicable, registration and admission fee.
